

Crash Course for the AMC Clinical Examination

Date of Course: _____

Time: 08:30 – 05:30

Fee: \$1,995

A four-day intensive bridging course was created to help candidates who are too busy to take 10 weeks off to study full time. The aim is to equip the participants with the appropriate skills and knowledge to help them prepare for the AMC Clinical Examination. Simulated clinical scenarios will also allow participants to practice their communication skills and build up their confidence for the examination. Individual feedback will be given to participants at the end of the course to help them discover both their strengths and weaknesses. Some of the topics included are:

- *Commonly encountered cases for Medicine, Surgery, Obstetrics and Gynaecology, Paediatrics, Psychiatry*
- *Physical Examination*
- *Investigations and Interpretation*
